

Rearrange the letters in the grid to create 6 words that make sense both horizontally and vertically. Letters in green blocks are already in the correct location. Letters in white blocks need to be moved to a different word. Letters in gold blocks indicate the letter belongs somewhere within the word but not in its current location.

H	I	A	E	T
P		T		A
O	A	N	R	B
E		S		E
T	Y	R	E	S
